## **The House of Gladness LLC**

### *Policies and Procedures*

#### *I. MUSIC THERAPY & PROVIDER QUALIFICATIONS*

A. *The American Music Therapy Association (AMTA) defines Music Therapy as the “...clinical & evidence-based use of music interventions to accomplish individualized goals within a therapeutic relationship by a credentialed professional who has completed an approved music therapy program.” Services will only be provided to clients of The House of Gladness, LLC by employed or contracted music therapists holding the MT-BC (Music Therapist-Board Certified) credential.*

#### *II. DESCRIPTION OF AVAILABLE SERVICES*

*All services will take place in The House of Gladness, LLC office OR other location mutually agreed upon by the service provider and the client.*

##### *A. 1:1 MUSIC THERAPY SERVICES*

*Individual music therapy services ranging from 30-60 minutes in length. Following the in person session, time is reserved for therapist planning, documentation, and communication. In the first 1-2 sessions, the therapist will assess the client and develop a treatment plan consisting of the client’s goals and objectives and recommendations for frequency/length of sessions. In music therapy, the goal is not to learn how to play music; the music therapist will develop music based interventions and experiences to help the client meet their non-musical goals.*

##### *B. GROUP MUSIC THERAPY SERVICES*

*The policies and procedures for 1:1 Music Therapy services also apply to group services, but rates/session lengths will be determined on a case by case basis. Currently, outside of community based groups offered at therapeutic facilities, we do not have any established groups. If you are interested in establishing a music therapy group OR if you would like to be notified in the event that we are able to offer group sessions in the future, please contact us.*

### *C. ADAPTED LESSONS*

*Adapted lessons are also facilitated by music therapists, but are not considered music therapy. Clients receiving adapted lessons do not have a treatment plan with individualized goals. Adapted lessons are tailored to the client's needs and preferences and use non-traditional methods to teach music.*

To proceed with music therapy services through CMS/Sunshine, your child's PCP will need to complete the form titled "Sunshine Health Expressive Therapy Outpatient Form", which should be provided to you during the intake*

process. You may also request this form if you have not received it. To complete the process, you must bring the outpatient form to your PCP to be completed and faxed to Sunshine Health at the following fax number: **866-796-0526**. Please be advised that there is an expected wait period for the approval process. Please notify The House of Gladness, LLC once forms have been submitted in order to complete follow up with Sunshine Health.

*If you are choosing to receive services through CMS/Sunshine, you will not be able to begin services until The House of Gladness, LLC receives authorization directly from MTM. Individual sessions through CMS/Sunshine are typically 30-45 minutes of direct service with 10-15 minutes used for documenting. The House of Gladness, LLC will NOT bill clients of CMS/Sunshine directly for services; all billing will be done through MTM. The House of Gladness, LLC cannot charge clients of CMS/Sunshine directly for any reason including late fees and/or cancellation fees. The House of Gladness, LLC requests that in the event of a cancellation, 24 hours notice be given unless in the instance of an emergency or illness. In the event of frequent cancellations without 24-hours written notice from the canceling party, The House of Gladness, LLC reserves the right to terminate or suspend services with at least 14 calendar days written notice. Termination or suspension of services will be decided at the therapist's discretion.*

#### **B. STEP UP FOR STUDENTS (FES-UA)**

*In order for The House of Gladness, LLC to invoice EMA, you must complete form "2025 HIPAA Release of Information". The House of Gladness, LLC will not receive payment for services until you have requested the service in EMA and the service has been completed. You are responsible for requesting services in a timely manner; requests not made within 7 business days of service completion may result in a suspension of services until the request is completed. Once your request is accepted, The House of Gladness, LLC will be able to bill EMA directly for services.*

*Billing frequency will be determined automatically based on your child's session frequency. If you would like to change your billing frequency, please reach out to your assigned therapist. The House of Gladness, LLC reserves the right to modify billing schedules and agrees to provide at least 10 business days notice. In the event that your billing date falls on a holiday, your invoice will be generated on the following business day. Payment is accepted online or in person and is due in full within 10 business days of receiving the invoice. The invoice will be emailed to you to include a payment link. It will be your responsibility to monitor your invoices. #### **VI. TERM OF AGREEMENT**

*This Agreement will become effective immediately after signing. The House of Gladness LLC may terminate services with 30-days written notice. All attempts will be made to give you the names of other qualified professionals. You have the right to terminate services at any time by providing notice in writing.
